About This Workspace

Take the second floor if you want a warehouse without the warehouse draughts. 20-22 Vestry Street is a Victorian former warehouse, now refurbished: exposed brick, wooden floors, windows front and back, good ceiling heights, LED strip lighting and air conditioning. The WCs and shower on this floor are yours alone, there is a fitted kitchen, and bike storage sits on the lower ground. Old Street is five minutes on foot, Hoxton twelve, and Shoreditch Grind is on the roundabout. Vestry Street is a side street, which keeps it quiet. Right for a team that wants the brick and the quiet together.
