About This Workspace

Back Hill is the slope that drops from Clerkenwell Road to Warner Street, and the Albion Buildings sit on it with jewelers, workshops and small firms inside. Unit 7 is a second-floor room: dark timber floor, white walls, large windows, a shower in the building, entry-phone access at all hours, nothing to fit out. Farringdon station is three to five minutes' walk; Chancery Lane is five; the Jerusalem Tavern is on the way home. A single room at a Clerkenwell address, up two flights. Right for a few people who need the address more than a boardroom.
