About This Workspace

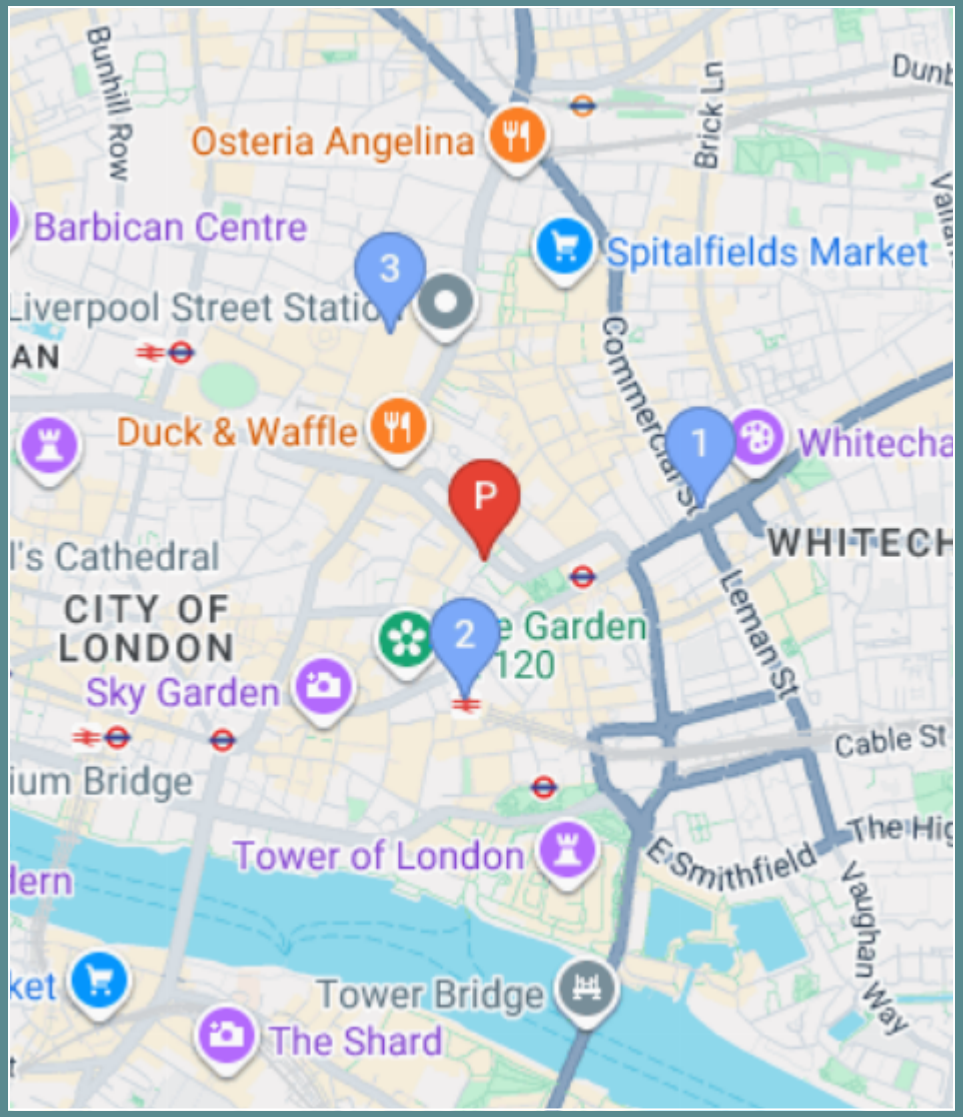

Newly fitted, and the fit-out is the reason to take it. The upper ground floor of 33 Creechurch Lane has been refitted from the raised floor up: new LED lighting, VRF air conditioning, data and cabling in, meeting rooms and a kitchen and breakout area already built. The reception has been upgraded too, with a commissionaire, and the showers and bike racks are being redone. EPC B. Creechurch Lane runs between Leadenhall Street and Bevis Marks, which puts Aldgate station three minutes away and Leadenhall Market five. Right for a team that wants the fit-out already done, and the dog allowed in.
