Floor Plan

About This Workspace

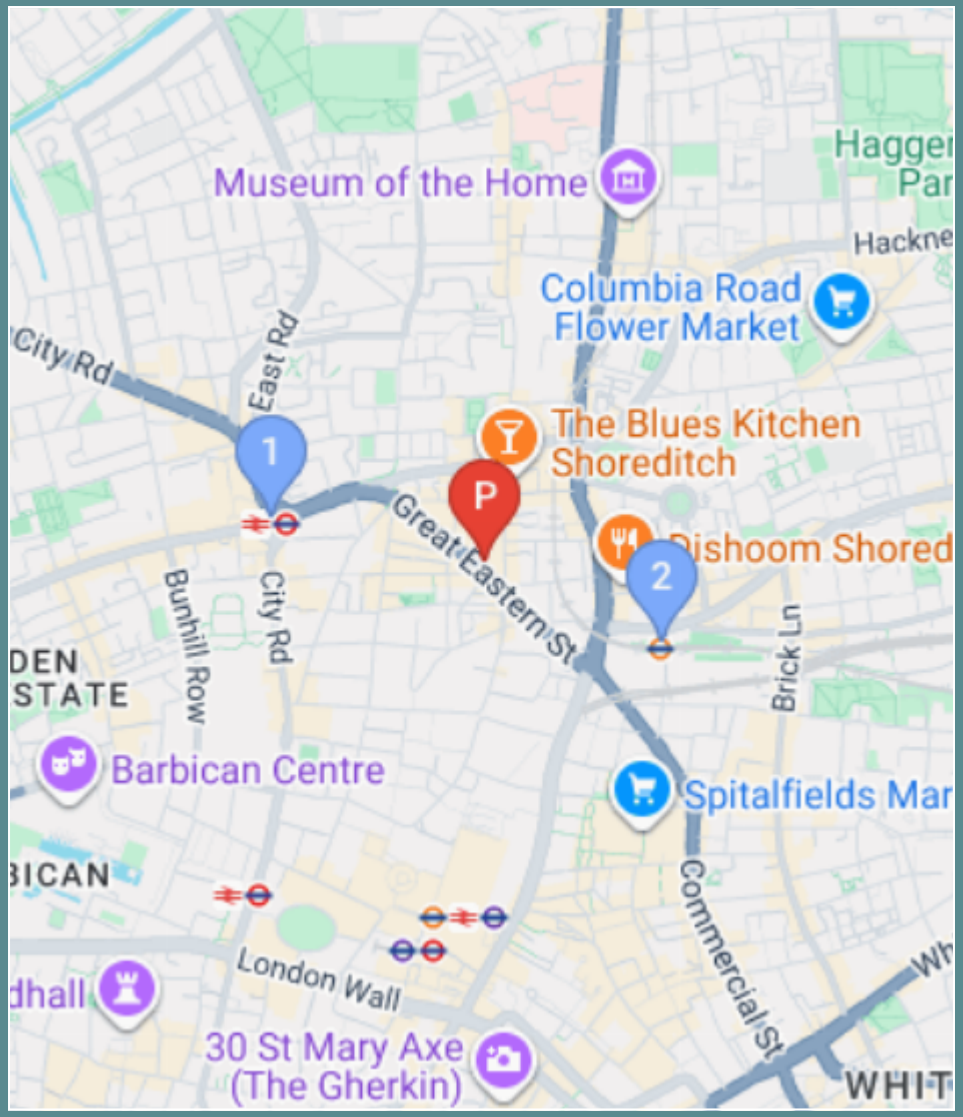

Three floors, one staircase, and nobody else on it. The offices at 46 Great Eastern Street stack over the first, second and third floors of a warehouse building, each one room with exposed brick, timber floors and double-glazed windows front and back, so light comes from both ends. Comfort cooling, a shower on the first floor, meeting rooms in, door entry per floor. For a company of two or three teams that would rather have a floor each than a corner each. Old Street is five minutes on foot, Liverpool Street ten, Beigel Bake the same. Right for a company that likes its teams a flight apart.
