About This Workspace

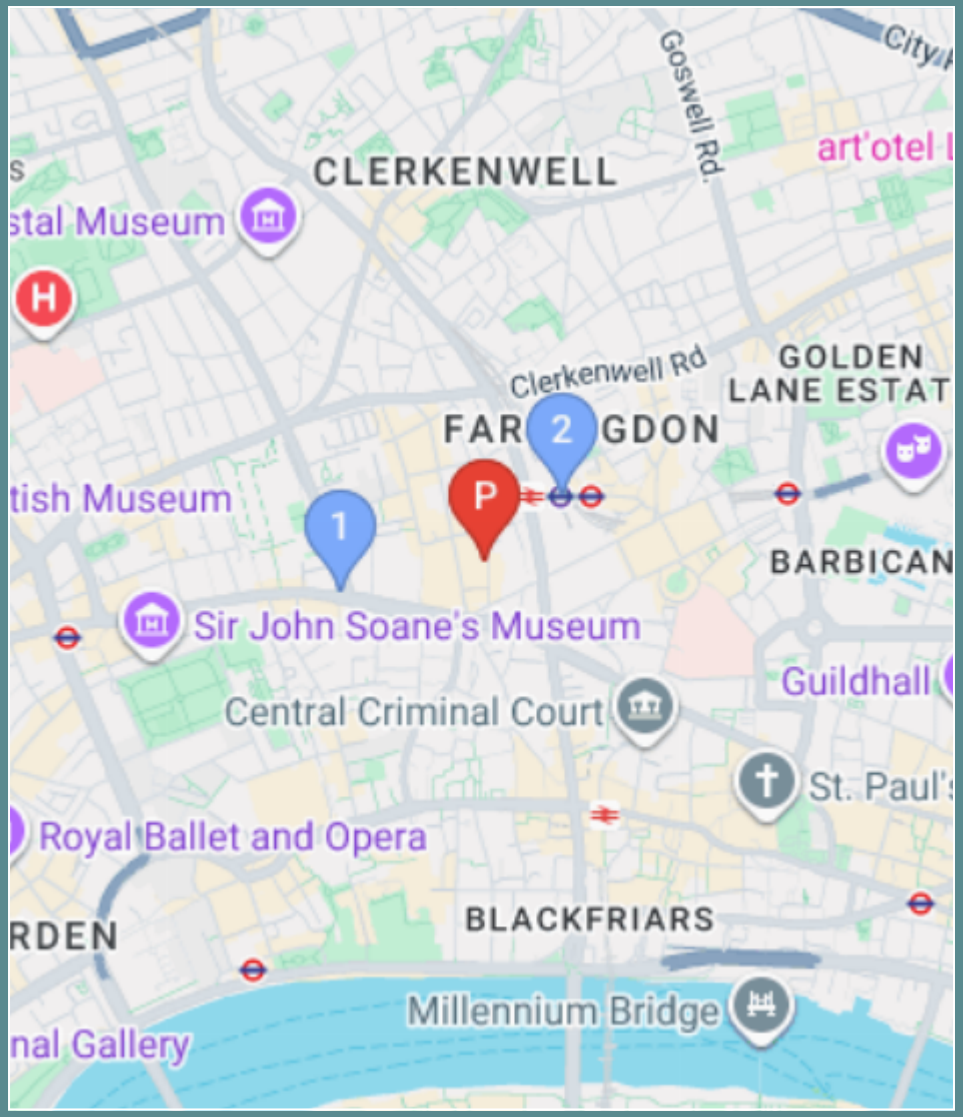

For a team that wants a terrace of its own rather than a slot on the building's. The first floor of Audrey House was fitted out new, with VRV air conditioning throughout and a large private terrace off the floor. The building is the biggest on Ely Place, a gated cul-de-sac beside St Etheldreda's: a late 19th-century front, a commissionaire, lifts, showers and bike spaces, and an atrium opened up around a new staircase for daylight. Farringdon and the Elizabeth line are about seven minutes on foot, Chancery Lane five. Quiet behind the gates, and right for a team that wants it that way.
