About This Workspace

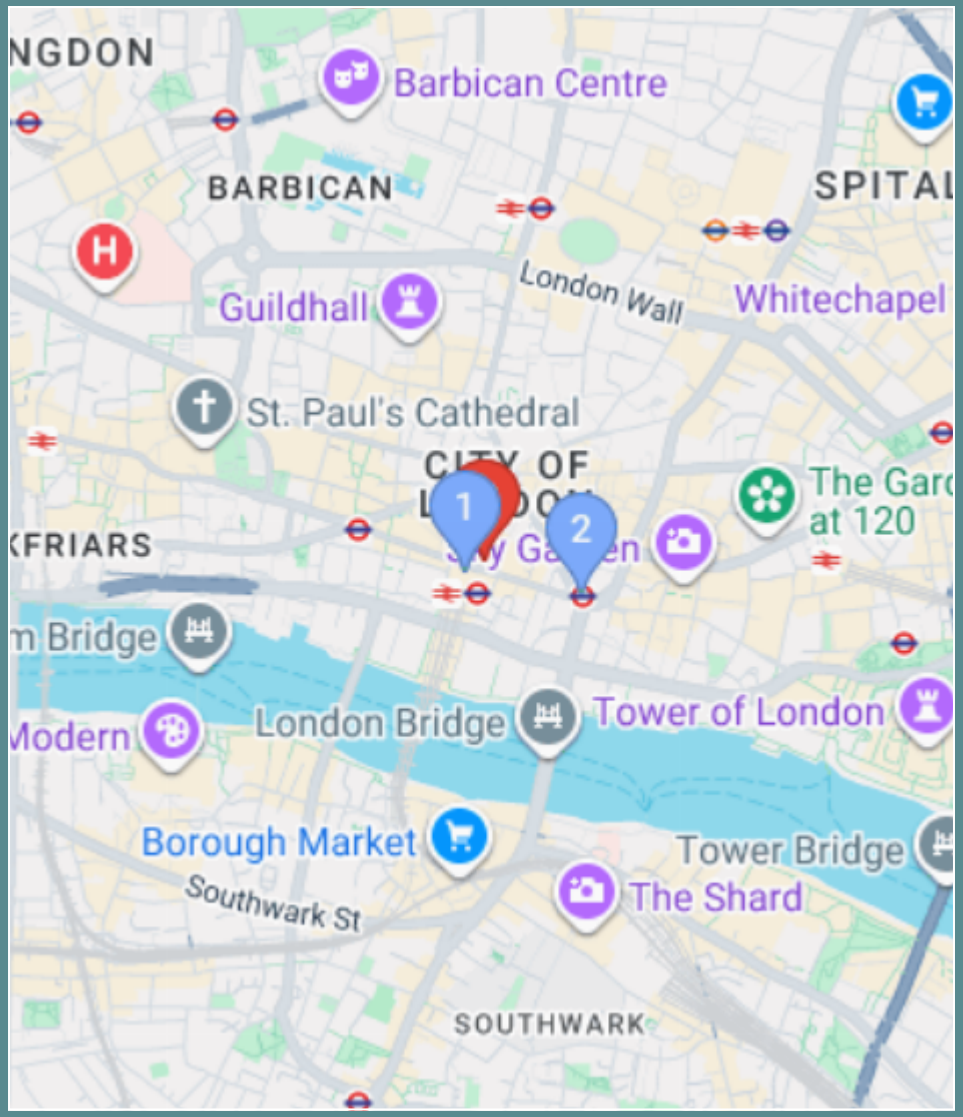

Take this floor if half your team gets off the train at Cannon Street. The station is across the road, Bank is four minutes on foot, and the fourth floor is yours alone: the lift opens straight onto it and the WCs and kitchen are nobody else's. Fitted, furnished and with meeting rooms already in, so the move is a date rather than a project. A 1992 building with raised floors, air conditioning and showers. Unfussy, which is the point. Right for a team that wants to be at its desk before the coffee cools.
